

PRICE LIST FOR THE APARTMENT

(Google translate)

The apartment is for rent from May 1 to October 31, 2024. Each day (overnight stay) costs 75 euros. The maximum number of people is 3, provided that they are adults, which means they are over 13 years old. One small pet is allowed.

A reservation for a certain period in my apartment is only valid when I receive a deposit of exactly 40% of the total amount for a certain number of nights, and then when I take over the deposit. The deposit is paid through the PostCash, Payoneer or Paysend application for sending money. If the guest cancels the stay in my apartment before the arrival date or does not call at all and does not come, the deposit he gave me in advance is NOT returned (without the possibility of moving the date for the summer vacation).

The rest of the money (60%) is paid upon arrival in my apartment on the first day in cash.

Entry to the apartment is from 4pm to 11pm, and check-out is until 11am.

The minimum number of nights is 3. The price includes cleaning of the apartment every third day. The reservation must be made at least seven days before arrival.
